

Knowledge Management

The Directorate of Knowledge Management in Agriculture is committed to promote ICT driven technology and information dissemination system for quick, effectual and cost-effective delivery of messages to all the stakeholders in agriculture. Keeping pace with the current knowledge diffusion trends, Directorate is delivering and showcasing ICAR technologies, policies and other activities through print, electronic and web mode. Directorate is the nodal center for design, maintenance and updating of ICAR website along with facilitation of network connectivity across ICAR institutes and KVKs. Besides, Directorate provides public relation and publicity support to the council and its constituents across the country.

 [Citizen's/Client's Charter](#)

Thrust Areas

- Dissemination and sharing of agricultural knowledge and information through value added information products in print, electronic and web mode.
- Development of e-resources on agricultural knowledge and information for global exposure.
- Facilitation for strengthening e-connectivity among ICAR institutes State Agricultural Universities and KVKs.
- Capacity building for agricultural knowledge management and communication.
